P.R.A.Y. VACATION NOTICE

During the week of January 12th -16th P.R.A.Y. will be closed so that staff may take advantage of earned personal time off and celebrate a few milestones.

We recognize that this may be inconvenient, but the timing will not impact orders intended for Scouting America's Scout Sunday celebrations in February. Shipping will resume January 19th when the office reopens. In most cases, and when cost-respectful, shipping occurs through UPS which guarantees a reliable 3-5 business day delivery schedule. Media (booklets) and other first-class mail will still be delivered via the US Postal Service, unless otherwise directed as Priority or Expedited in the order process. Orders that are indicated as Priority or Expedited will receive the same shipping class when P.R.A.Y resumes operations on January 19th.

In the meantime, P.R.A.Y. is always open at praypub.org where program, teaching, and student resources are available. For registration, curriculum, booklets, and recognition please visit our webstore, store.praypub.org.

If you have ordered booklets and need them to start lessons immediately, please visit <https://store.praypub.org/protestant-program-booklets> where the first lesson is available for the Student, Counselor/Teacher, and Mentor booklets. These can be found by opening the direct link and description for each booklet in the program levels.

Thank you in advance for your patience, understanding, and shared ministry. P.R.A.Y. is grateful for you!

Blessings in all you do,

Jason Noland
CEO – P.R.A.Y.
