

The main purpose of these ashes is to bring to all Scouts and Scouters the International aspect of the world brotherhood of Scouting.

Ashes taken from a campfire are sprinkled into the flames of the next Campfire. The next morning, when the ashes are cold, they are stirred, And each scout takes some along to mix with his next campfire. If more than one Scout brings ashes to the same campfire, the lists are pooled, with the dates and places of all campfires recorded and passed on.

It is traditional that only those present at the ceremony carry ashes from that ceremony.

The campfire ashes of Wood Badge Course WE3-55-96 began at Brownsea Island, Poole Harbour, Dorset, In august 1907 and have traveled around the world to campfires in 53 countries.
