If you would like to announce a *God and Family* class in churches, you may choose to use the following information or handout. Remember, youth from all three agencies (Boy Scouts of America, Camp Fire USA, Girls Scouts of the USA) who attend Protestant and Independent churches can work on this program. You may want to contact the pastors of neighboring churches (of your denomination or others) and invite their youth as well. Additionally, youth who do not belong to any youth agency are also welcome to participate in the *God and Family* program and to earn the recognition items.
