

Scouting Anniversary Month helpful hints:

It is important to recognize your chartered partner or sponsored facility during Scouting's Anniversary month. Regardless of when it is celebrated, those institutions that are faith-based should be engaged in a congregational celebration where the Pack, Troop, and or Crew plays an active role in the service.

Below are some helpful hints in preparation.

- Set a date in advance, try to do this as part of your annual planning calendar. It is difficult for many clergy to address this opportunity at the year's end with so much happening between holidays and end of the year celebrations.
- Prepare for your unit's role in the presentation.
- Announce your event in advance, or as a thank you to the congregation for the support and history together.

The Scouting program at (name of congregation) is more than just an activity for our youth to learn about the outdoors. Scouting provides fun, fellowship, and training to our youth as well as youth in our community. It emphasizes honesty, self-reliance, and respect. Through a year-round program, it affects character, citizenship, and personal fitness. But the success of our Scouting depends on our volunteers, who serve in a variety of leadership roles so that our young people may benefit from our Scouting ministry. As the Boy Scouts of America celebrates its anniversary, we salute the splendid volunteers who serve as Cubmasters, Scoutmasters, and Venturing Advisors, and in other positions of leadership. Our Scout unit(s) would like to invite you and your family to be a part of their program. (Unit contact person/information)

- Lead a portion of the service, including a report or readings. Use the youth wherever possible.
- Serve as greeters.
- Present the religious emblems to youth and awards to adults.
- Commit to an act of service to the congregation in advance of the celebration.

Sometimes the opportunity to present actively may not work out with the congregation's schedule. When thoughtfully planned, there is still much that can be done. Consider:

- Pre-recorded message from unit(s) to congregations (report to the charter).
- Record the presentation of religious emblems.
- Provide a pictorial presentation (PowerPoint or display board) of Scouts in action or having fun and share it with the congregation during worship or gathering.
- Have the Scouts and their leaders pre-record a video and stream it to the congregation.
- Incorporate details into the print or digital bulletin.
- Invite to join.
- Create opportunity for service to the congregation on Saturday or Sunday.
