Project I
Daily Bible Reading

The first requirement of the God and Church program is to read your Bible every day for three weeks. (If possible, try reading your Bible throughout the entire God and Church program.) Make a plan with your counselor. Will you read an entire gospel? Will you use a devotional series? Will you keep a journal of your thoughts and questions? Write your plan. You may use the chart below to record your plan or to keep track of your progress by recording the days that you read and the passages that you read on each day.
