

Mini Bingo **(Jesus and Me Session 3 Activity)**

Play Mini Bingo to help the children review the Bible story. Make enough copies for each child to have a bingo grid. Give markers, such as buttons or pennies, to each child. The child who answers the question gets to place a marker on the grid. (Players may only cover one space for each question.) Have each child place one (free) marker in the middle their grid just for being in class today. Half way through the questions stop and have each child give one marker to the friend sitting on the right.
