An online class is being offered through [church] via [Zoom].

This online class will not shortcut the program but will provide instruction and opportunity for interaction to help each child fulfill the requirements and grow stronger in their Christian faith.

Please note the following prerequisites:

- Parents must attend all online sessions.
- Families must purchase a Student Workbook for each child
<https://store.praypub.org/protestant-program-booklets>
- Students must answer all questions, make the [GAMEBox/Pizza/Scrapbook/etc.], and complete service projects at home.
- A final review with [pastor] will be held during our last session. [Parents also have the option of scheduling a final review with their own pastors. Please notify me if this is your preference.]
- Families will be responsible for submitting the youth registration upon completion of the program and purchasing recognitions via the P.R.A.Y. online store.

- The God and Church program (grades 6-8) requires young people to become familiar with the history and structure of their congregation (and denomination) as well as the different worship services and programs offered through their congregation. Families will need to contact their church/clergy for help in completing these assignments.

Here is our schedule:

[Include deadline to order books]
